[1] Number of legal persons and entrepreneurs was reduced on 30 June 2012, because the database of the Central Registry of Accounts kept by the CBCG was harmonized with the databases of the Central Registry of Business Entities and the Central Registry of Commercial Court in which these legal persons and entrepreneurs are registered as 'deleted'. Consequently, published data on enforced collection were also updated.

[2] Number of legal persons and entrepreneurs was reduced on 31 July 2017, because the database of the Central Registry of Accounts kept by the CBCG was harmonized with the databases of the Central Registry of Business Entities and the Central Registry of Commercial Court in which these legal persons and entrepreneurs are registered as 'deleted' and for which the payment service providers, in accordance with the *Decision amending the Decision on the structure, more detail conditions and manner of transaction account opening and closing* ("Official Gazette of Montenegro" No. 14/17), are obliged to cancel the transaction accounts. Consequently, published data on enforced collection were also updated.
